6. PARTY ORGANIZATION:

- 6.01. Call to Reorganize:** In the year immediately following the year in which the President of the United States is elected, the RSCC Executive Committee shall issue a Call to Reorganize for Precinct Committee Elections not later than January 31 that same year. Each County Committee is responsible for submitting the time, date, and location of Precinct Committee Elections not later than January 25 that same year to Republican Party State Headquarters so that it can be included in the Call.
- 6.02. Force Majeure:** In the event that any provision within this Section 6 cannot be performed due to acts of God, wars, national emergencies, or state emergencies, the RSCC Executive Committee is authorized to allow all meetings and/or elections contemplated by this Section to be held telephonically, by video conference, or by any other mechanism as authorized by a majority of the RSCC Executive Committee. In the case of a Force Majeure, the RSCC Executive Committee is authorized to take all other steps necessary to effectuate the purpose of Section 6, which includes but is not limited to changes related to time, manner and place, without making additional changes to these Rules as long as all changes comply with the parameters set forth by the Republican National Committee.
- 6.03. Precinct Committee Elections:** The Party reorganization begins every four years with the elections at the precinct level. The Precinct shall be the basic organizational unit of the Republican Party of Kentucky.
- (a) With the call to reorganize, all precincts shall hold elections for party office not sooner than February 15 but not later than March 31. Any county committee who fails to submit information to State Headquarters by January 25 for the call to reorganize shall hold their precinct elections on the first Saturday after March 1, at 10 AM local time at a location to be determined by the county committee. Failure to submit written notice by the County committee prior to March 1 under this rule mandates that the RSCC Executive Committee implement a mechanism to hold precinct elections.
 - (i) Precinct elections shall be held on the same day and at the same location except that a County Committee may opt to hold precinct elections in groups on separate dates, times, or at separate locations. Any County Committee choosing to hold precinct elections in groups as described above shall include the specific dates, times, and locations for precinct elections in the written notice described in Rule 6.04(a) and shall be due not later than the second Friday in January.
 - (ii) **Inclement Weather:** In the event of inclement weather conditions, it shall be the responsibility of the County Chairman to consult with the County Committee and make a decision on the cancellation and rescheduling of said Precinct Committee elections in the most timely manner possible. All efforts should be made by the County Chairman to notify all local news outlets of said cancellation and rescheduling information. Notice of cancellation and rescheduling shall be given to State Republican Headquarters within twenty-four (24) hours or on the next business day.

- (b) **Notice of Elections:** To encourage broad participation, widespread and frequent promotion of precinct committee elections is strongly recommended. The County Committee shall provide not less than fourteen (14) days' notice of the date, time and location of Precinct Committee elections. The notice provided by this rule shall indicate the time registration for said election begins and ends.
